

INTERNATIONAL FIRE TRAINING CENTRE

VACANCY – AVIATION FIRE TRAINER

Salary – Negotiable according to relevant skills and experience.

To meet the demands of an ongoing expansion of its business and development of its training ground, IFTC, a centre of excellence in the delivery of aviation, offshore and industrial training, is seeking a special individual who not only meets the criteria below, but can also demonstrate a proven enthusiasm and ability to plan prepare and deliver training of the highest quality.

Working as a member of a dedicated team, you will deliver a wide range of theoretical and practical training to firefighters and crew commanders from a range of fire service disciplines.

In return IFTC can offer a competitive salary package and the opportunity to develop new skills whilst contributing to the future of aviation fire and rescue training.

Applications are invited from individuals who hold a current CAA approved certificate of competence to the level of Crew Commander and who have undertaken a supervisory role at a Category 4 – 9 aerodrome for a minimum of 2 years.

You should have:

- Effective communication skills
- The ability to take charge of groups of students
- Effective written skills
- Basic computer literacy
- Appreciation of the health and safety issues associated with training delivery.

It would be advantageous but not essential for you to possess the following

- Recognised teaching qualification
- Assessor Award (A1, D32/33 or similar)
- Breathing Apparatus Instructor Qualification
- First Aid at Work Certificate
- LGV License

If you are interested and meet the above criteria then contact Margaret Wills for an application form on 01325 331101 or mwills@iftc.co.uk.

Closing Date: 30 June 2005
